

Vicar-elect Nathaniel Brown's Journey

May 2019

Christ is Risen! He is Risen indeed, alleluia! May has been very busy for me. With all that is going on, this will be a shorter newsletter than usual.

Call Day happened on the first. Most of you already know, but I will be serving at Trinity Lutheran Church in Girard, Kansas. I am very excited to be serving God's people in a more direct way than I did in classes at the Seminary. I am hoping that this is a good year for learning for me, and I can't wait to share some of my experiences with all of you who read this. Also, since I will be living in Kansas, the Seminary address will not work if you want to talk to me directly. If you want to send me mail directly, my address starting on May 27 will be: **Vicar Nathaniel Brown,**

109 West Saint John Street, Girard, KS 66743.

I am in the midst of packing my room to leave for Kansas, but before I leave Saint Louis for a year, I will be going to Israel. I don't have any photos currently, but I will when I get back. Those are the highlights of my life this month. God's richest blessings to all of you as we begin the summer months, even if the weather doesn't feel like summer. Christ is risen! He is risen indeed, alleluia!†

Prayer List:

- For all people, that they may come to the knowledge of Christ and so be saved.
- For all our leaders, that the rules they enact may lead us to quiet and dignified lives.
- That the Church may be strengthened.
- For the Seminary students in St. Louis and in Ft. Wayne, that they may be able to serve His people faithfully.
- That the second years going on vicarage and fourth years receiving their first calls may be strengthened.
- For all pastors and professors that they may be faithful in their service to the Church and to the Scripture
- For all graduates that they may be strengthened in faith as they transition to a different vocation.

If you have prayer requests, or want to talk, please send them to me! My email is brownn@csl.edu, and my address is: 109 West St. John St. Girard, KS 66743
